WHITELINE PROPERTY DESCRIPTION

Completed at end of 2014 this three-floor apartment house impresses with its stylish architecture and construction quality. With loving attention to detail designed facade is somewhat reminiscent of the Roman Empire.

The property is located in a very sought after location of Antalya, directly in second line of the sea and 100m to Konyaalti beach.

The floor-length windows partly French balconies with glass railings were realized, which underline the elegant style.

The property is bordered by a wall. A fantastically beautiful garden in a Mediterranean style already impressed upon entering the facility. In the rear of the house you will find the large communal swimming pool with sun terrace.

Although it is not mandatory at this low number of floors, an elevator was installed for the comfort of residents.

To the care of the facility and the house, a caretaker looks.

FACILITIES

The 150m² living space spread over two floors. In the entrance floor there is a separate kitchen with modern fitted wardrobes, a guest room, a bathroom and a large living room with access to the balcony overlooking the sea.

Over a staircase you reach the upper floor with another room and a rooftop terrace, a bathroom and the master bedroom with south facing terrace, also with sea views.

The bathrooms are equipped with marble tiles in gray / white, high quality sanitary facilities, ceramics, shower, sink, base units and mirrors. Artfully designed false ceilings with spots and integrated LED strip light, wall paintings and homely laminate give a stylish atmosphere. Big windows promise a maximum light, but which is individually controllable through the blinds.

The connections for the installation of radiators and air conditioning systems are already installed. Due to the good wall and ceiling isolation energy-saving care is guaranteed.

Enjoy quiet and relaxing hours in a dreamlike apartment in a very desirable location close to the beach.
